CASE STATEMENT

Gemini Children's Theater has been bringing educational, creative, performing arts opportunities for over 22 years. The Royal Ball event is our annual fundraiser which allows us to keep these programs within reach of children and their families in our local Pittsburgh community.

Reduced funding for arts programs in our schools is making it more and more difficult for children to develop their creativity and imagination at an early age. Your participation in this event helps fill this gap. Your sponsorship will directly support discounted tickets to performances and events, scholarships for acting classes and summer camps and reduced educational outreach performances for elementary and pre-K children.

We hope you choose to participate in this event. The more support received the more children and families Gemini Children's Theater will be able to reach.

“Thank you for providing us with a scholarship to Summer Camps this year . . . he has been writing down ideas and can't wait to share them with the class” - Parent

“My older daughter loves musical theater and she had a huge smile plastered on her face the entire time!” - *Grandparent*

GEMINI THEATER MISSION

The mission of Gemini Theater Company is to cultivate creativity, imagination and originality through the performing arts.

“Amazing, professional interactive children’s theater. A real local gem!” - *Facebook Post*
