## TEA PARTY ETIQUETTE

Pick up your cup and saucer together, holding your cup in one hand and the saucer in the other.

Avoid placing too much food on your plate as it is intended to be a snack rather than a full meal.

A hostess gift is not required, but loose tea would always be appreciated.

Do not leave your spoon on your saucer or on the table. Tea can quickly stain linens.

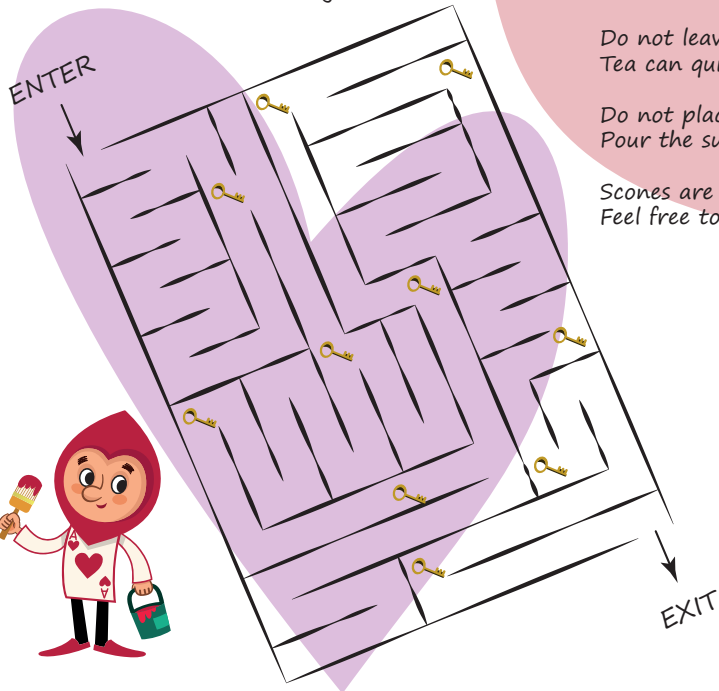

Do not place the sugar spoon on your saucer. Pour the sugar in your tea as a courtesy to other guests.

Scones are not to be eaten with a fork or knife. Feel free to use your hands when eating.
